

# Meridian HSN Telehealth for CONSUMERS

## Our Telehealth Services

### Save money, save time On-The-Go and Online with Telehealth Subscription Services

**With Meridian HSN Telehealth you have immediate access to a nationwide network of US Board Certified physicians, available for live visits over mobile or web, whenever you need them and you can select your doctor.**

***Up to 70% of doctor visits; up to 54% of emergency room visits are non-emergencies which can be done effectively through telehealth.***

### Physicians

#### Nationwide network, right now

A great patient experience begins with the doctors. That's why we offer access to a national network of US, Board-certified physicians. These doctors are credentialed, certified, and trained to practice online.

- 15 years average time in practice
- Visible past patient ratings
- Live consultations
- Available 24/7/365
- Nationwide

### Technology

#### Healthcare made easy

Open the app, log on, or pick up the phone. That's all it takes to get the right care at the right time.

- Web, mobile and telephone access
- No special hardware or software required
- Automated claims and eligibility processing
- SureScripts past prescriptions
- HIPAA-compliant and secure
- Integration with Apple's Health app

### Engagement

#### On-The-Go and Online

You can access Meridian HSN Telehealth using iPhone, iPad or Android, with an intuitive interface and access to the same doctor network you see on the web – it's all on the same system

- **Standard Meridian HSN Telehealth is \$11<sup>95</sup> per month, per household (no free visits)**  
Pay for physician visits at a discounted rate of \$39 per physician consult.\* Others charge \$49 per physician visit.
- **Upgrade to Deluxe Annual Plan \$299<sup>00</sup>** – This plan covers the entire household which means the entire household, ***each person receives first 2 physician consults for free!***\* That is a \$78 value per household member.

Plus ... both Standard and Deluxe Plans includes access to Meridian HSN resource center staff and services with pharmacy plans, monitoring programs and additional online resources. \* The following are the fees for visits/consults between a Qualified Professional and a telehealth subscriber: \$39 for physician visits; \$25 for dietician visits; \$79 for social worker/masters level behavioral health professional, and \$95 for behavioral health visit with a professional with a PhD/PsyD.
