

American Red Cross

Your Company. Your Red Cross.

Roll Up Your Sleeves and Pitch In

Help support the lifesaving work the Red Cross does. It's a very real opportunity for your company to give back to its community.

Here are just a few of the ways *your* company can make a difference:

- **Train Your Employees.**
Empower your employees with lifesaving skills. Offer one of our industry-leading health and safety courses. Participate in our corporate preparedness programs.
- **Sponsor Disaster Response.**
The distinguished corporate members of our Annual Disaster Giving Program enable us to bring immediate help to people in their moment of greatest need.
- **Host a Blood Drive.**
Sponsor a Red Cross blood drive to encourage employees and others to make lifesaving blood available for patients in need.
- **Provide Volunteers.**
Your company can become an active participant in the services we provide. We offer corporate volunteer programs giving your employees the opportunity to lend a hand in Red Cross disaster response, preparedness education, and community resiliency.
- **Raise Funds.**
There are lots of ways you can help, from sharing proceeds from sales to encouraging employee giving by matching their Red Cross donations.

How to Get Started

Build a stronger, tighter-knit corporate team by uniting your employees around a truly lifesaving mission.
